

Case Report Form

CDASH-style CRF · Form ID: LB_LOCAL · Generated from OpenClinica template for NexaDirect demo

Subject ID: _____ Site ID: _____ Visit: _____

Laboratory Name

LB_LOCAL_LBNAM

Record the laboratory name.

Was the sample collected?

LB_LOCAL_LBPERF

Indicate whether or not lab specimen was collected or measurement performed.

☐ No ☐ Yes

Collection Date

LB_LOCAL_LBDAT

Record the date when specimen collection was done.

Collection Time

LB_LOCAL_LBTIM

Record time of collection (as complete as possible).

Was the subject fasting?

LB_LOCAL_LBFAST

Record whether the subject was fasting prior to the test being performed.

☐ No ☐ Yes

Alkaline Phosphatase

LB_LOCAL_ALP_LBORRES

Record the laboratory test result.

Alkaline Phosphatase Units

LB_LOCAL_ALP_LBORRESU

Record or select the original unit in which these data were collected, if not pre-printed on CRF.

☐ IU/L ☐ U/L ☐ ukat/L ☐ umol/s/L

Alkaline Phosphatase Normal Range Lower Limit

LB_LOCAL_ALP_LBORNRL0

Record the lower limit of the reference range of the lab test.

Alkaline Phosphatase Normal Range Upper Limit

LB_LOCAL_ALP_LBORNRI

Record the upper limit of the reference range of the lab test.

Was the Alkaline Phosphatase result clinically significant?

LB_LOCAL_ALP_LBCLSIG

Record whether laboratory test result was clinically significant.

☐ No ☐ Yes

Calcium

LB_LOCAL_CA_LBORRES

Record the laboratory test result.

Calcium Units

LB_LOCAL_CA_LBORRESU

Record or select the original unit in which these data were collected, if not pre-printed on CRF.

☐ mg/dL ☐ mEq/L ☐ mg/L ☐ mmol/L

Calcium Normal Range Lower Limit

LB_LOCAL_CA_LBORNRL0

Record the lower limit of the reference range of the lab test.

Calcium Normal Range Upper Limit

LB_LOCAL_CA_LBORNRII

Record the upper limit of the reference range of the lab test.

Was the Calcium result clinically significant?

LB_LOCAL_CA_LBCLSIG

Record whether laboratory test result was clinically significant.

☐ No ☐ Yes
